

**PLAY-UP REQUESTS**  
**For Division U6-U19**

Requests for a player to play up to the next division will be considered on an individual basis and **MUST** be approved by the Regional Commissioner or Assistant Regional Commissioner at one of the walk-in dates. No Play-ups will be considered after the last walk-in registration date.

For a player to even be considered for a play up to the next division 3 criteria **MUST** be satisfied:

1. Player misses the cutoff date for next Division by no more than 4 months
2. Player must possess the skills necessary to play at the higher level
3. Player's parent **MUST** coach the team.

The region established these criteria for several reasons. The player age of 4 months or less is to coincide with school cutoff so kids can play with friends. Skill level is for the safety of all players. Parent coaching the team is because it is unfair to the person who volunteers to coach a certain age player and then have younger players put on their team.

**NO PLAY UP REQUESTS WILL BE GRANTED FOR U5 PLAYERS**

**NO PLAY DOWN REQUESTS WILL BE CONSIDERED AT ANY AGE LEVEL.**
